

## **Paid Research Internship Opportunity**

**Project:** Study on Teacher Training in MCGM schools

Requirement – 2 interns

Interested candidates can send their resumes to [info@mumbaifirst.org](mailto:info@mumbaifirst.org)

**Objective of the project:** Need assessment of training and capacity building for teachers in MCGM schools.

- Understand the current set of trainings being provided to teachers, effectiveness of these programs, gaps to be addressed.
- Recommendations on training programs, medium (digital or offline) and frequency so as to not overburden the teachers and yet produce effective outcomes for smoother implementation of NEP 2020 guidelines.

**Internship overview** – the intern will work closely with the team and other collaborator organizations in conducting primary & secondary research-through qualitative focused group interviews at select Municipal across Mumbai region. The project is in collaboration with the Education Department, MCGM. The internship requires fieldwork, with the intern coming into office only when required. Minimum internship duration is 1 month, with stipulated hours per day (can be pursued along with coursework).
